Subject: Print out for Enrique's binder

Dear John,

I suggest printing out the attached for Enrique's binder/folder, if he doesn't already have them:

- Pelosi's press releases and Ltr to EPA IG
- EPA 6/18 response to Pelosi 5/14 ltr
- Enrique's presentation at 5/14 Supervisors hearing

I don't know if this level of detail will come up, but just in case:

- Summary of regulators' position Parcel G Workplan (only the 1 pg version. I also have 3 page version)
- Q&A re Parcel G

This is overkill, but he tends to request overkill for these types of things, and if it makes him feel more confident, then let's give him what he wants. He has an amazing capacity to absorb and process information quickly, so he can possibly even make use of it all.

You probably already gave him these, but just in case:

- RA talking pts
